Sharing ideas, shaping the future

COME ALONG to one of our fun forum days to find out what has been happening in Bovey Tracey & Heathfield over the past 7 years, since Bovey Tracey's first parish plan was published and get involved in planning for the future of the Parish. What do you like about living and working here? What would you change?

Enclosed with this edition of Quality Update is an invitation to attend the Fun Forum Events being held as the first part of a community led planning process for Bovey Tracey. Following these events, the next stage will be workshop-based, which is planned for 9th March in order to try and understand the views of residents and businesses about how the town should grow and change in the future. What new community facilities are needed and where should these be? How and where can new homes and jobs be provided?

At the event on 15th February, from 5.30pm onwards, there will be a specific session for local businesses to attend in order for their views to be heard about operating a business here in the parish and their needs for the future.

Using the work collected from the drop-in sessions, the workshop, along with local knowledge as well as the existing Parish Plan and District Wide Plan, we will then work to identify key issues for the parish, how we might address them, what this will involve and where impacts may be felt. Please come along to one of our drop-in sessions or alternatively contact Ros Eastman (01626 215747) or email: forwardplanning@teignbridge.gov.uk to register your interest and to find out more.

Dear Resident,

Well, our white Christmas has been and gone and I hope you managed to get about safely during the prolonged snowy period. On the first morning, walking carefully into town, it was so nice to see everyone helping each other and talking to one another with a smile. There was a huge sense of community spirit, you could almost touch it.

Christmas Day for me started with a visit to our Hospital where I dispensed gifts from the staff, then on to Tracey Vale residential home and finally Tracey House. Everyone was in good spirits and certainly enjoyed the festivities. At this point I must say a big thank you to all the staff who gave most of their Christmas Day to help those in need and care. We really do appreciate all your kind efforts.

I shall look forward to seeing as many of you as possible at the consultation events on our new parish plan, but in the meantime, due to a variety of reasons, we have not yet made any further progress on the Town Hall developments, but will hopefully be able to report back to you within the next few months.

I hope that 2011 will be a good year for all of us and of course there will inevitably be changes to come. Not least of all with the elections on May 5th, so if you feel that you can contribute time and energy for Bovey Tracey, perhaps you might like to stand for your local council. You can get details from our Town Clerk (please see overleaf for contact details and more information on the forthcoming elections..

In the meantime I wish you a belated Happy New Year.

Best wishes
Avril J Kerswell - Town Mayor

2011 PRECEPT - £148,855.00

AFTER CAREFUL consideration members of Bovey Tracey Town Council have set its precept for the next twelve months starting on 1st April. The precept is the amount of money required by the Town Council to undertake its various services on behalf of residents.

These include the management of Mill Marsh Park, the Town Hall, the Cemetery, the Recreation Ground, Play areas, Allotments and other open spaces in the Parish. For the past three years the precept has been maintained at £148,855. This year's total precept will again be the same at £148,855. This relates to an annual total charge of £50.32 per year for a Band D property. Last years Band D charge was £50.33.

The Town Council, in these difficult economic times, is very keen to keep the precept at the same level, with no increases, but to still ensure the service it provides is maintained to the current standards. In order to maintain a balanced budget, the Town Council will be reviewing all areas of its expenditure to ensure parishioners are being provided with an efficient and 'value for money' service.

Teignbridge District Council (TDC) provides an annual grant towards the maintenance of the Bovey Tracey Town Cemetery. This is currently £4185.00 per year. Regretfully, as part of TDC's current cost cutting exercise, this grant will cease from next year. Therefore, in order to address the loss in income, the Town Council has agreed to increase all costs relating to the cemetery by 10% from 1st April 2011. This is a regrettable decision, but the increase in fees is necessary to start to negate the loss of the burial grant from TDC and to maintain the Cemetery to its current standard.

Fairtrade Fortnight 2011 28th February - 13th March

MILLIONS OF PEOPLE around the UK will be showing off their passion for Fairtrade for two weeks. The aim is to get more people excited about Fairtrade and the difference our every day choices can make; from the power of your pineapple to the transformation stirred up by your cup of tea. So far 7.5 million people in the developing world - farmers, workers, their families and communities have benefitted from Fairtrade, but there is a long way to go as Fairtrade accounts for a tiny percentage of world agricultural trade.

The Bovey Fairtrade Town group is hosting their third Fairtrade Primary schools conference on the morning of 7th March in the Town Hall, following their success in being awarded a national award for its Best National Media Campaign during Fairtrade Fortnight 2010 to promote Fairtrade. Primary schools from the area have been invited and are sending representatives. There will be lots of fun and activities about Fairtrade cotton and we hope to welcome a cotton producer from Mali, who can really bring the Fairtrade message alive.

Please also visit the Fairtrade market stall at Bovey Tracey's Produce market in Union Square on 26th February 2011 from 8.30am to 1.00pm which has a wide range of Fairtrade food and crafts available for sale.

Bovey Tracey needs to reapply for Fairtrade Town status later this year and we need more businesses, shops, restaurants to sign up to stocking or using Fairtrade products if we are to retain our status. For further information please contact Liz Westwood (Tel 01626 836107)
